

PBS Authorities – Changes to digital access

July 2023

We understand having access to PBS-subsidised medicines can be critical to patient care. That's why Services Australia and the Department of Health and Aged Care are continuing to work together to increase the number of PBS medicines that can be requested and approved in 'real-time' using the Online PBS Authorities system (the system). This includes the recent changes made to the juvenile idiopathic arthritis medicines from 1 July 2023.

These changes will make it easier for you to request authority approval for these medicines from Services Australia. You will no longer need to submit hard copy authority applications, prescriptions and test results. Instead, you will be able to use the system to apply for authority approval and provide evidence digitally.

Additional information

Where to find the changes

You can find out if a PBS medicine can be submitted digitally by checking the Administrative advice for that condition.

You can find the Administrative advice for each item under the Note in the PBS Schedule on the Department of Health and Aged Care website.

The PBS Authority Required application forms for these medicines will reflect the requirements for digital submission.

Note

Any queries concerning the arrangements to prescribe may be directed to Services Australia on 1800 700 270 (hours of operation 8 a.m. to 5 p.m. Monday to Friday).

Prescribing information (including Authority Application forms and other relevant documentation as applicable) is available on the Services Australia website at www.servicesaustralia.gov.au

Applications for authorisation under this restriction should be made in real time using the Online PBS Authorities system (see www.servicesaustralia.gov.au/hpos)

Alternatively, applications for authority to prescribe can be submitted online using the form upload facility in Health Professional Online Services (HPOS) at www.servicesaustralia.gov.au/hpos

Or mailed to:

Services Australia

If you're using the authority application form via post or Health Professional Online Service (HPOS) form upload facility, you'll still need to submit authority applications, prescriptions and test result details. This will delay the assessment of the authority application.

Can PBS authority applications be submitted by post?

You can still submit applications for authority to prescribe by:

- mailing your application
- uploading documents in HPOS.

Updated versions of application forms will remain available on our website.
