

MyMedicare Health Professional Education Resources

Do you want to learn more about MyMedicare including understanding and managing patient registrations?

The Services Australia Health Professional Education Resources website has a broad range of MyMedicare education resources to help you stay up to date.

To find these resources, search hpe.servicesaustralia.gov.au > [MyMedicare](#)

The new and updated resources include:

- [MyMedicare – Overview eLearning module](#)
- [MyMedicare – Managing patient registrations eLearning module](#)
- [Checklist and steps to register for MyMedicare on the Organisation Register infographic](#)
- [Organisation Register – PRODA Attributes at a Glance infographic](#)

If you have any feedback on these resources, contact the Services Australia Health Professional Education team at: Medicare.Education@servicesaustralia.gov.au.
